FROM THE PRESIDENT'S DESK – BY LARRY PRILL, PRESIDENT AGO

=====

Congratulations to all our AGO members that participated in these years' two-day championships. We had a good turnout (80+ players) along with great weather. I thought both courses were very different and were very challenging. So at our June tournament we'll have our awards banquet immediately following golf where we'll distribute awards to all our top winners. But we also have over 60 door prizes that will go out to any lucky person who attends (must be present to win) plus we'll have great food, drinks so plan on attending.

The two days of play were tough; as I mentioned, golfers who played good consistent golf will be rewarded at our banquet. Our Low Gross and Low Net winners were Jerry Fusco with a two-day gross score of 156 and Andrew Munn had a low net of 129. The top three winners in each flight will also be recognized are:

- Flight A – John Atkinson, Ed Smith and Brad Burt
- Flight B – Charles Brookes, Jim Murray and Wayne Mason
- Flight C – Bill Mease, Larry Oakley and Roger Stout
- Flight D – Richard Burgan, Johnny Gonzalez and Don McGinnis

All of the above scores were higher than in past years but I feel that reflects the difficulty of this years courses. In all fairness, Sweetwater, which is a tight course any way with long par 3's & par 5's also had some greens that weren't 100%. This added to the courses toughness which I'm sure added more strokes to all our scores. Since I started playing golf 15 years ago, I have never seen so many courses that suffered with their greens due to our hard long winter. I have learned from many of these courses the expense of keeping greens in good shape and the age of the greens has a lot to do with it as well. So this year's winners should be proud of themselves for overcoming these obstacles. I'd also like to acknowledge two of our board members who did very well, John Atkinson and Larry Oakley. With duties to perform prior to playing, it's difficult mentally to switch gears. Making sure everyone has checked-in, all monies collected, announcements made, etc. then to go out and hit good consistent shots is challenging to say the least.

Speaking of the board, your current AGO board members are continuing to do a great job helping to run our association. Let them know that you appreciate the work they're doing. But if you have any complaints, we can always use your help. If you're interested in serving on the board just let one of us know. Our current board members are: John Atkinson, Larry Bretz, Jerry Bruessel, John Ingram, George Frey, Rick Harris, Larry Oakley and me, Larry Prill.

Just reminders, dues of \$29, are due June 1st. If we do not receive these dues by June 30th you won't be allowed to play until we get them. Any questions about monies you owe contact John Ingram (his contact info is on our website).

We considered moving June's tournament and banquet from Victoria Hills due to the problems they suffered with their greens. We heard many stories about how horrible the conditions were, so we thought we'd go up there and take a look. On May 30th John Atkinson and I inspected all their greens. 80% of them were fine, the others were on the mend and we felt by the time June 20 rolls around they all should be in good shape. There were two holes that had to be re-soddening but again with all the afternoon rains they should be ready for us. It's a wonderful course and we wanted to end our year with our banquet being at a top-notch course. Hope to see you all there. Thanks again for all your support.

12-2. Identifying Ball

The responsibility for playing the proper ball rests with the player. Each player should put an identification mark on his ball.

If a player has reason to believe a ball at rest is his and it is necessary to lift the ball in order to identify it, he may lift the ball, without penalty, in order to do so.

Before lifting the ball, the player must announce his intention to his opponent in match play or his *marker* or a *fellow-competitor* in stroke play and mark the position of the ball. He may then lift the ball and identify it, provided that he gives his opponent, *marker* or *fellow-competitor* an opportunity to observe the lifting and replacement. The ball must not be cleaned beyond the extent necessary for identification when lifted under Rule 12-2.

If the ball is the player's ball and he fails to comply with all or any part of this procedure, or he lifts his ball in order to identify it when not necessary to do so, he incurs a penalty of one stroke. If the lifted ball is the player's ball, he must replace it. If he fails to do so, he incurs the general penalty for a breach of Rule 12-2, but there is no additional penalty under this Rule.

Note: If the original lie of a ball to be placed or replaced has been altered, see Rule 20-3b.

*Penalty for Breach of Rule 12-2:

Match play - Loss of hole; **Stroke play** - Two strokes.* If a player incurs the general penalty for a breach of Rule 12-2, there is no additional penalty under this Rule.

3-3. Doubt as to Procedure

a. Procedure

In stroke play, if a competitor is doubtful of his rights or the correct procedure during the play of a hole, he may, without penalty, complete the hole with two balls. After the doubtful situation has arisen and before taking further action, the competitor must announce to his marker or a fellow-competitor that he intends to play two balls and which ball he wishes to count if the Rules permit. The competitor must report the facts of the situation to the Committee before returning his score card. If he fails to do so, he is disqualified.
