Rule of the Month

*4-3/1 Meaning of Damage Sustained in "Normal Course of Play"* Q. In Rule 4-3a, what is meant by the term "normal course of play"? A. The term "normal course of play" is intended to cover all reasonable acts but specifically excludes cases of abuse. In addition to making a stroke, practice swing or practice stroke, examples of acts that are in the "normal course of play" include the following: • removing or replacing a club in the bag; • using a club to search for or retrieve a ball (except by throwing the club); • leaning on a club while waiting to play, teeing a ball or removing a ball from the hole; or • accidentally dropping a club. Examples of acts that are not in the "normal course of play" include the following: • throwing a club whether in anger, in retrieving a ball, or otherwise; • "slamming" a club into a bag; or • intentionally striking something (e.g., the ground or a tree) with the club other than during a stroke, practice swing or practice stroke.

## FROM THE PRESIDENT'S DESK – BY LARRY PRILL, PRESIDENT AGO

Congratulations to everyone who played in last month's annual two-day championship. Both Twin Rivers & North Shore were very challenging. Twin Rivers wasn't in the best of condition but it wasn't too bad. North Shore made up for it plus we had great weather for both days. We'll definitely return to North Shore in the future but Twin Rivers would have to be in great shape plus offer a very low price for us to consider playing there again. Both courses staffs were very accommodating and helpful.

I'd like to recognize our top winners. The best two-day total gross score goes to Terry Lehman, 75 & 77 = 152 and our overall low net winner is Dave Buffum, he had the same net score for both days, 63 & 63 = 126. These scores were better than last year where we played at North Shore & Sweetwater CC. Congratulations to you both.

Our Flight A winner is David Dempsey, Flight B was won by David Hladky and Flight C's winner was Steve Claxton. We will be recognizing all these winners along with the players who came in 2<sup>nd</sup> & 3<sup>rd</sup> in each flight at our Banquet at Stoneybrook East this June 26th.

We'll also be giving awards for other categories like Top Money Winner, and Most Improved. So, plan on attending. Besides recognizing our top golfers we have many great door prizes plus since we're playing on Sunday, the course is offering us the same food as they serve for their Sunday brunch. So instead of hamburgers, hot dogs and bar BQ chicken, we'll have a buffet that will be serving: prime rib, waffles, egg and omelet station, carved honey ham, biscuits and gravy, bacon & sausage, BBQ chicken breasts with bake beans, oven roasted potatoes with onions and peppers, assorted pastries and muffins with a full salad bar, etc. We will also have our usual keg of beer along with soft drinks. For those who want to drink hard liquor, a cash bar will be available. So it's a really great deal. This option costs slightly more than our original offering but we're keeping the price the same as advertised, any additional costs will be picked up by AGO. Also as a reminder, we always welcome guest to our events but our banquet is for AGO members only, no guests. We only want current members eligible for the many door prizes we'll be giving away.

Your AGO board wanted me to remind you that your annual \$30.00 dues are due. If you haven't paid them, please be sure to send them in with your next entry. They must be paid prior to June's tournament, if there not, you can't play. The address label on this newsletter will show a date letting you know your dues are due. Any questions contact Rick Harris, John Ingram or myself. Our contact info is on our website, [www.agogolf.net](http://www.agogolf.net)

As a tool to help refer business to one another, we have been asked by some of our members about putting together a business membership directory. This would give members an opportunity to show what type of products and or services they provide in their businesses. Obviously your participation would be up to you. Roger Stout has volunteered to put this together. If interested, see Roger at any upcoming tournament with your contact information and a brief sentence or two on the type of business you're in and what a good referral would be. Roger can also be reached at [roger3604@att.net](mailto:roger3604@att.net)

For example, I'm in the printing business. The name of my company is All Business Printing. I offer design, print and mailing types of services. Good referrals for me are locally owned companies that need any kind of preprinted documents and or collateral materials, promotional handouts created and printed. My phone number is 407-677-1716, and my email is [Larry@allbuisnessprinting.com](mailto:Larry@allbuisnessprinting.com). That's it; we don't want to make this long and drawn out, just short and to the point. Just tell us what you do and what you're looking for, if someone wants more info they can just give you a call. Roger will put together a list and we'll have it available on our AGO website. We feel this provides an opportunity to help one another.

It's been another good year and I'm looking forward to Stoneybrook East at the end of the month. Please get your entries in, and don't wait till the last minute. Enjoy your Fathers Day with your family, watch the US Open, and then plan on attending our Stoneybrook East golf tournament and banquet on June 26<sup>th</sup>. Thanks again for all your support.
