NEXT TOURNAMENT

ROLLING HILLS GC ON SUNDAY, DECEMBER 17, 2006

Shotgun Start at 7:45 a.m. Tournament Format Individual, Three-Four Flights. Entry Fee \$39 .00 total (includes green fees, cart, prize certificates, blind bogey, and hole-in- one pot).

Solivita, as always, was in good shape and a lot of fun to play, regardless of the score (only for some of us). Others had exceptional rounds on an beautiful day. Congratulations to **Randy Whitney** for winning low gross and **Jon Schmitt** for winning low net. Good shooting guys! Further congratulations to **Gene Denney**, **John Ingram**, and **Tom Hubbard** for winning each of their individual flights. More good shooting! Watch out for **Larkin Tribou** as he has overtaken the lead in our **Top Fifteen Money Winners** list. He had a 3rd place finish and a closest to the pin at Solivita to surge ahead of all others last month. In December we're going to play one of the top old courses in the Orlando area, Rolling Hills GC. It should be a lot of fun and for many it may be the first Christmas present of the year. Hope to see all of you there. Terry

FROM THE PRESIDENT'S DESK

By Rick Harris Sr.
President, AGO

Just a quick note before Santa Claus comes to see what certain members of AGO want to receive for Christmas.....

LENGTH OF COURSES: FROM THE RIDICULOUS TO THE SUBLIME:

October we go to Stoneybrook West and the course eats our lunch since we are playing at 6500 yards, and that rough was REALLY ROUGH! It showed up in our scores since hardly anyone got below a net 70. Then, this past month we go to Solivita and shoot from the 6250-6300 yard markers and 17 out of the 18 winners in the three flights were ALL in the net 60's. The consensus of opinion of the AGO Board Members is that the ROUGH-ROUGH was the real culprit in October and that in future committee rounds the rough should be a serious consideration when setting up the yardages that we will play from in the following week. Let's see how it works at Rolling Hills on December 17th!

JUST RIDICULOUS: For whatever reason, movement of the date from November 19th to the 12th; false information of the event being a two-man best ball event; or the fact that Solivita is a long way from downtown Orlando; the fact remains that AGO was only able to generate 57 players! Fifty-seven members! With all the players that we have who are dues paying members that small number of participants is RIDICULOUS! I have played and served AGO for over 27 years and that is the lowest turnout EVER! Let's see what kind of turnout we get for Rolling Hills in Longwood with a regular stroke play even on the third Sunday in December.

TERRY LAYMAN: On a more serious note I have just received a Letter of Resignation from Terry Layman from the AGO Board, citing job and family considerations. Terry a long-time AGO member joined the AGO Board in May 1998 and agreed to serve as our AGO Secretary in October 2000. So, for the past 6 years he has been serving all of us here in AGO. On behalf of our Board, and our membership, we want to wish Terry Best Wishes and a hearty "Thank You" for all he has done for our organization. Terry has stated that he plans to continue playing with AGO as time and conditions permit. Once again, thank you Terry Layman! P.S. No, your handicap will NOT go up just because you have more time to practice.

SANTA CLAUS has acknowledged the following requests from AGO members; however, he makes no promises to deliver:

One-two new AGO Board Members in 2007.

Thirty plus new members to the AGO membership roster for next year!

An absolutely huge improvement and a lower handicap of AGO President Harris which will get him out of his current flight and into the next lower and harder flight.

An easier way of identifying who is who, between Mark and Mike Frazer.

Another different Titleist driver to Jon Schmitt to replace the one he uses now, which is "fixin" to be stolen (mysteriously disappear) soon.

To put a hold on the passport of Rick Worel to cut down on his extensive travels to Utah, Michigan and especially Australia/New Zealand, supposedly on business.

For Jeff Goddard to get a new set of clean jokes that he can tell in mixed company.

Discover a new putter for Joe Wingerter where the ball is GUARANTEED to go in the hole. (If Santa finds such a putter, make sure that only certain members of the AGO Board also get one just like it!)

Find Bobby Bowden of FSU a new Offensive Coordinator only as good as the last one and whose last name is not Bowden.

Let the Gators coach, Urban Meyer; find a few more players like Tim Tebow who are offensive and defensive lineman in time for the 2007 season.

For the next two years give the Democrats the same type of "cooperation" they gave the Republicans on the floors of the house and the Senate during the past two years. (This is known as "what goes around, comes around").

Finally, let SANTA bring you everything you wish for, BUT remember to be careful what you wish for...you just may get it!
