FROM THE PRESIDENT'S DESK

By Larry Prill President, AGO

What a great AGO tournament last month at Celebration. The course was in good shape, it was a beautiful day and the cooperation of the staff was excellent. I think the best part was the price. We really got to play a top-level course at a respectable cost. One of the main reasons is the number of players that regularly play at AGO tournaments. Courses are reluctant to book a tournament during a prime time like a Sunday AM. They figure a weekend morning will get top dollar. But by booking an AGO event guarantees them a good payday. So having an active and growing membership is a tremendous bargaining tool. It's so important we want to encourage all you members to invite guests to AGO tournaments with the hopes they'll join. Thus the board has decided to run a pre-holiday promotion to help put some cash into your pockets. Starting immediately, any AGO player who refers a new member will receive a \$25 American Express gift card. These cards can be used just like cash anywhere. The new member must be a first timer to AGO. So previous X- AGO players who use to play but now don't, are not eligible.

An AGO member asked me if I knew of any players that are willing to carpool. If you are willing to share the driving, then email me. Just give me your name, phone #, email and the part of town you live in and we'll post it on the AGO website. Once you can see people who are willing to carpool and what part of town they live in should make it easy to start driving to AGO events and share the cost of gas, etc. And who knows, you might develop new golfing friends as well.

Remember to get your entree forms in for November's tournament at Sanctuary Ridge, in Clermont. As we know, most courses we play are flat but Sanctuary Ridge has a lot of hills. It makes for a different golfing challenge. So just don't put this newsletter down or shove it aside. Complete the entry form attached and sends it in today. The pairings are done on Thursday (11/13) and then sent to the course. Once this is done that's it. So if we receive late entries, you'll be added to the roster but you may not be paired with your favorite golfing buddy.

Look forward to a good turnout at Sanctuary Ridge on the 16th, we'll see you all then.

26-1. Relief for Ball in Water Hazard

It is a question of fact whether a ball that has not been found after having been struck toward a [water hazard](#) is in the [hazard](#). In order to apply this Rule, it must be known or virtually certain that the ball is in the [hazard](#). In the absence of such knowledge or certainty, the player must proceed under Rule [27-1](#).

If a ball is in a [water hazard](#) or if it is known or virtually certain that a ball that has not been found is in a [water hazard](#) (whether the ball lies in water or not), the player may **under penalty of one stroke**:

- a. Play a ball as nearly as possible at the spot from which the original ball was last played (see Rule [20-5](#)); or
- b. Drop a ball behind the [water hazard](#), keeping the point at which the original ball last crossed the margin of the [water hazard](#) directly between the [hole](#) and the spot on which the ball is dropped, with no limit to how far behind the [water hazard](#) the ball may be dropped; or
- c. *As additional options available only if the ball last crossed the margin of a [lateral water hazard](#)*, drop a ball outside the [water hazard](#) within two club-lengths of and not nearer the [hole](#) than (i) the point where the original ball last crossed the margin of the [water hazard](#) or (ii) a point on the opposite margin of the [water hazard](#) equidistant from the [hole](#).

When proceeding under this Rule, the player may lift and clean his ball or [substitute](#) a ball.

(Prohibited actions when ball is in hazard - see Rule [13-4](#).)

(Ball moving in water in a water hazard - see Rule [14-6](#).)
