FROM THE PRESIDENT'S DESK

By **Larry Prill** President, AGO

It was a great day to play golf last month at the beautiful Harbor Hills golf course. We had around 80 golfers make the long drive and I'm looking forward in playing this month at Dubsdread. As many of you long time Orlando golfers already know, Dubsdread was closed for over a year. They completely renovated this course by changing many of the holes, adding bigger greens, rebuilt the sand traps, and all the fairways have new sod. It's now a fun course to play and with it being located in the middle of Orlando, you don't have to drive far, which will save time and gas money.

One of our many challenges in running AGO is keeping up to date records. With the coming and going of members we need to know if anyone moves, or will not be renewing their membership. John Ingram, our AGO secretary sends out the newsletters, thus he needs to be notified of any member status changes. If your address changes or if your not going to renew your membership then let John know. His email address is: john_r_ingram@hotmail.com.

Speaking of renewing your membership, make sure your dues are paid. You will be notified by checking the mailing label on the front of the newsletter. John will stamp "your dues are due" under your address, so please make sure you're paid up. If your not we can't accept your registration for any upcoming tournaments. If you're not sure about your dues you can email John or the AGO email, which is, larry@allbusinessprinting.com

The AGO treasury has always had the difficult task of knowing how many prize certificates are outstanding. Since we have to reimburse an Edwin Watts or Specialty Golf when a certificate is used at their stores, we must always be assured that our bank account has enough funds to pay these requests. Currently you have 12 months to use these certificates. With so many not being used right away this causes problems in not knowing how many are floating around. So to make this an easier and more accurate task, we are changing the expiration time from 12 months to 6. Also when we reprint these certificates they will be numbered, this should also help us identify who has outstanding certificates and when they'll expire. So when you win a prize certificate, use it. Don't through it in a drawer, you may forget about them. Remember they can be used at these golf stores (Edwin Watts stores on Turkey Lake, Frontage Rd. and Casselberry, plus Specialty Golf – 436 Altamonte). Many members use them to help pay for upcoming monthly tournaments. Just send them in with your entry form and check.

And lastly, for those of you that play the gross skin game, please personally hand-in your scorecards before leaving that tournament. (To Larry Bretz) Some cards have been turned in not signed or not turned in at all. So make sure you hand your scorecard to Larry and make sure he has verified your scores.

We look forward to a good turnout at Dubsdread . Thanks again to everyone for showing up at Harbor Hills, your support made this tournament a great success. I know we'll be playing there again sometime in the next 12 months. See you all at Dubsdread this Sept. 21st.
