**FROM THE PRESIDENT'S  
DESK**

**By Larry Prill** President, AGO

**Our day at Dubsdread turned out to be very successful; we had around 92 players, rain free weather with a great new course to play. I'm sure most of you will agree that the 6100 + yards played a lot tougher. We didn't have many scores in the red, so we'll have to go back next year and see if we can record some better scores. Thanks to all that attended.**

**We have quite a few new members joining so I'd like to review some AGO rules and some suggestions. One is the rule that allows a member, when registering for a golf event, to be able to ask to play with someone else. We allow this so you can play with a friend but you can only choose one. We want to encourage playing with other AGO members. This is one of the main reasons for AGO. Giving fellow golfers the chance to meet other golfers, as well as playing golf at different courses each month. So choose one member to play with, not 3 or 4.**

**Jerry Bruessel, our net skins chairman, wants to pass along a reminder to those of you who play the net skins game, to please do the following:**

**It's up to you to show the strokes you get each hole based on your handicap. Put a dot to represent each stroke on the corresponding hole, based on how the course ranks each hole. If you want to play but don't know how to do this, then go to the USGA website, where you can access the handicap manual, [www.usga.org/playing/handicaps/manual/manual.html](http://www.usga.org/playing/handicaps/manual/manual.html). See section 9-3a. While playing record both your gross and net score for each hole. Add them up and don't forget to sign your name (better yet print it) so it's easy to read. Jerry gets some cards back that the handwriting is so bad he can't figure out whom the card belongs to.**

**Your AGO board will be making a better effort in keeping our website up to date ([www.agogolf.net](http://www.agogolf.net)). We'll be adding more to it in order to help give you more information. Understand that monthly tournament pairings with handicaps are done on the Thursday or Friday before the Sunday event.**

**This month we're playing at Celebration. I've played here recently and it's in great shape. We got a good rate from them and to me were playing a top-level course for an average AGO price. I'm trying to sign up courses we haven't played for a while plus choosing locations in all parts of the central Florida area. If you have a good connection with a course or have any suggestions let me know. ([larry@allbusinessprinting.com](mailto:larry@allbusinessprinting.com))**

**Thank you again for supporting AGO at Dubsdread and come out and have a good time this month at Celebration. And remember to invite visitors; we can always use more members.**

3-3. Doubt as to Procedure

**a. Procedure**

In stroke play, if a competitor is doubtful of his rights or the correct procedure during the play of a hole, he may, without penalty, complete the hole with two balls.

After the doubtful situation has arisen and before taking further action, the competitor must announce to his marker or a fellow-competitor that he intends to play two balls and which ball he wishes to count if the Rules permit.

The competitor must report the facts of the situation to the Committee before returning his score card. If he fails to do so, he is disqualified.

Note: If the competitor takes further action before dealing with the doubtful situation, Rule 3-3 is not applicable. The score with the original ball counts or, if the original ball is not one of the balls being played, the score with the first ball put into play counts, even if the Rules do not allow the procedure adopted for that ball. However, the competitor incurs no penalty for having played a second ball, and any penalty strokes incurred solely by playing that ball do not count in his score.

**b. Determination of Score for Hole**

(i) If the ball that the competitor selected in advance to count has been played in accordance with the Rules, the score with that ball is the competitor's score for the hole. Otherwise, the score with the other ball counts if the Rules allow the procedure adopted for that ball.

(ii) If the competitor fails to announce in advance his decision to complete the hole with two balls, or which ball he wishes to count, the score with the original ball counts, provided it has been played in accordance with the Rules. If the original ball is not one of the balls being played, the first ball put into play counts, provided it has been played in accordance with the Rules. Otherwise, the score with the other ball counts if the Rules allow the procedure adopted for that ball.

Note 1: If a competitor plays a second ball under Rule 3-3, the strokes made after this Rule has been invoked with the ball ruled not to count and penalty strokes incurred solely by playing that ball are disregarded.

Note 2: A second ball played under Rule 3-3 is not a provisional ball under Rule 27-2.
